Chennai, India

EXPERIENCE

Principal

GKM College of Engineering and Technology

08/2018 - Ongoing Chennai, India

- Increased the institution's overall academic standard.
- Introduced special program to improve student's skill set.
- Procured grants from various funding agencies.
- Improved the student placements.

Professor & Head of the Department

SRM Easwari Engineering College

06/2009 - 12/2016 Chennai, India

- Started M.E in Electronics and Instrumentation Engineering.
- Introduced and implemented project based learning.
- Created many opportunities for students internships.
- Created many industrial tie ups through MoU.
- Acted as coordinator for internal quality in NAAC and NBA.
- Introduced mandatory student counselling sessions.

Associate Professor

Crescent Engineering College

11/1997 - 06/2009 Chennai, India

- Developed laboratory model setups.
- Acted as a class advisor, coordinator for curriculum revision.
- Organized workshops, seminars.
- Handled Control Systems subject through ICT technology.

Lecturer

Bharath Engineering College

06/1993 Chennai, India

- Setup measurements and instrumentation lab, process control lab and control system lab.
- Acted as HoD in charge and started student society of Instrumentation Engineering.

Lecturer

Moogambigai College of Engineering

01/1990 - 05/1993 Pudukkottai, India

- Member in cell of academic operations.
- Setup control systems lab and acted as class advisor.

LABVIEW ACADEMY

Started labVIEW academy at Easwari Engineering College for student's training and placements.

Given training to students for CLAD examination.

LANGUAGES

English

Professional

Tamil

Native

MOST PROUD OF

Best Women Engineering College Teacher Award from ISTE and IET

Chairperson of IEEE Control Systems Society, Madras Section

Ambassador of India Turns Pink Organization for Cancer Awareness

<https://fb.watch/75ZpfK0mBA/>

EDUCATION

Doctor of Philosophy PhD

Anna University

2003 - 2008 Chennai, India

- Intelligent non-adaptive, adaptive and optimal control of a nonlinear level process

Master of Science by Research

MIT Campus Anna University

1996 - 1999 Chennai, India

- Neural network with reinforcement learning for adaptive, time optimal control of tank level

Bachelor of Engineering

Annamalai University

1985 - 1989 Chidambaram, India

- First class with distinction in Electronics and Instrumentation Engineering

STRENGTHS

Motivation

Motivated students to undertake projects to overcome societal problems which resulted in patents, awards and publications.

Interpersonal Skills

Maintained excellent relationships with students and faculties which improved the academic and research outcomes.

Leadership Roles

Chairperson at International and National conferences. Convener for Graduation Day, Project expo, College brochure preparation, Conference, Workshop, Seminars. Coordinator for IET, ISTE Awards, Research, Curriculum revision. Class Advisor.

AWARDS

Best Women Engineering College Teacher Award

ISTE
2013

IET CLN Women Engineer Award

IET
2014

IET CLN Promotional Award

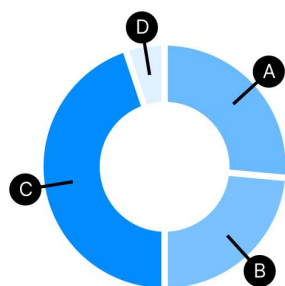

IET
2014

Professional Achievement Award

IEEE
2016

PUBLICATIONS

- A International Journals - 20
- B National Conference Proceedings - 20
- C International Conference Proceedings - 30
- D National Journals - 2

RESEARCH GUIDANCE

PhD Awarded : 4

PhD Pursuing : 3

Doctoral Committee Member : 4

PhD Viva Examiner : 2

M.E Projects Guided : 4

B.E Projects Guided : 27

FUNDINGS

AICTE

1. Project center for technical education granted for **18 Lakhs**
2. MODROBS in EEE dept **7.66 Lakhs**
3. RPS in EEE dept

DST

1. FIST sponsored labs in Mech dept **20 Lakhs**
2. BIRAC in BME dept **36 Lakhs**

TNSCST

1. 2 Student project scheme
2. 1 Student project scheme

DRDO

1. Workshop on MATLAB and labVIEW for electrical and process control applications
2. 2nd National Conference on Control, Communication and Information Technology

CSIR

1. Workshop on MATLAB and labVIEW for process control application
2. 2nd workshop on Intelligent Modeling and Control using MATLAB and labVIEW

Anna University

1. Faculty Development Program on Computer networks and Distributed control system
2. Faculty Development Program on Discrete time signals and signal processing

ICMR

1. National Seminar on Image processing and Medical imaging techniques
2. Workshop in BME dept

IEEE

1. International Conference on Technological Advancements in Control, Communication and Automation
2. IEEE sponsored workshop in Deep learning and Image Processing for Medical and Control Applications.
3. IEEE sponsored guest lecture.

DIT

1st National Conference on Control, Communication and Information Technology

MOES

National Conference on Water Treatment Reuse and Modelling of desalination Process

DBT

National Seminar on Recent developments of biosensors in Environmental Biotechnology

PATENT

AN INSTRUMENT TO DETERMINE THE WATER CONTENT IN THE AVIATION TURBINE FUEL

Patent No: 201641000918A Date: 25-03-2016

PROJECTS DEVELOPED AT CRESCENT ENGINEERING COLLEGE

Single conical tank process	Interacting conical tank system
-----------------------------	---------------------------------

3 tank interacting level Process

GUEST LECTURES DELIVERED

Anna University	Madras Institute of Technology
Vellore Institute of Technology	SRM Institute of Science & Technology
Velammal Engineering College	BS Abdur Rahman University
Sairam Engineering College	CIPET
Ford	Visteon Corporation

COLLABORATIONS

Yukogowa	National Instruments	Honeywell
Ramachandra Medical College	Technokrats Automation	
IIT Madras	Atheenapandian Pvt Ltd	Deepam Hospitals
AMS Solutions Ltd	Medlotek Health Systems	Felix Pvt Ltd
Shalom Consultancy	Radikal Med Equip Systems	
Alto Networks	Clicks campus	IP Ever LLP

ACCREDITATION

Obtained 5 year NBA in ICE branch at Crescent Engineering College

Obtained highest score among all departments in NBA at Easwari Engineering College

NAAC Coordinator at Easwari Engineering College
